Equipment 3 (1P+1AsP+1AP) in EXTC & CMPN is not shown in this table, but fully met from the existing regular faculty of the department.

Approval Process Hand Book 2021 - 2022 - Faculty norms for UG - Student Faculty Ratio - 1:20 & Cadre Ratio - 1:2:6  
Requirement in FE for Engineering Mechanics/Drawing + BEE/SPA and CS will be met by adhoc Faculty to be appointed in Mechanical Engg and Electrical except CS in FE. For statistics / staff list they will be shown under FE.

Declining trend for admissions in EXTC, additional regular faculty will not be recruited, but requirement will be met by adhoc.

Required against AsP in EXTC.

All in faculty as per AICTE norms, to be met by Adhoc faculty.

AICTE Approval Process Hand Book 2018 - 19 Faculty Ratio - 1:20. Cadre Ratio - 1:2.6.

AICTE doesn't specify the cadre ratio for F.E. (Basic Sciences and Humanities). The same is decided by the Institute depending on the qualifications / experience of already available internal candidates subject to total number of required faculty in F.E. remaining the same.

Posts in F.E. which are required only for one academic term will be filled through adhoc appointments.

In the Governing Council meeting held on 17/03/2018, Dr. Sincy George, Principal mentioned that the University of Mumbai is working on syllabus change and in the revised syllabus the teaching load (Lectures) may be reduced substantially and more focus would be for project based teaching/learning. The final outcome for the next academic year is still awaited and may take a long time. In view of the uncertainty, it is proposed that for the next academic term/year we will not go for regular posts. Depending on the University revised syllabus the workload will be worked out and decide to manage with ad-hoc faculty. The Governing Council endorsed the above of the Management regarding faculty recruitment for regular posts.
