Women Safety Training Programme

Date: Saturday, 7th March, 2020

Venue: Auditorium, St. Francis Institute of Technology, Sardar Vallabhbhai Patel Rd, near Bhagwati Hospital, Mount Painsur, Borivali West, Mumbai, Maharashtra 400103.

Resource Person: Mr. Amit Singh Bist, Karate Black Belt

A Self Defense Programme for all the women students of the Institute was held on March 7 on the occasion of International Day. The main objectives of the programme is to empower women, enable them to defend against any type of physical assault and to build self-confidence so that they can contribute significantly to their own development, shape their own destiny and capacity enhancement through Self-defence training. The programme was open for all the girl students and the female faculty members.

The resource person Mr. Amit Sing Bist spoke of the various schemes that the Government of India focuses upon such as Beti Bachavo Beti Padao. He also stressed the need of safety and security of the girl students and encouraged the participants to learn a few self defense techniques. These defense techniques was to create awareness among the students how to respond to the situations related to eve teasing, molestation, mobile snatching, purse snatching and such. This kind of training is the need of the hour as the cases of such crimes are increasing. The self defense training would empower them to fight back which is most important in today's age of power imbalance.

The world in which we are living is changing drastically and the people are becoming more and more unpredictable. The girls and women are stereotyped as the weaker sex and they become easy targets. In such an environment a program of such self-defense training is must for every girl in order to resist any kind of sexual assault as well as random attacks.

The outcome of the program was that the girl students learnt self-defense skills which would benefit them throughout their life to protect themselves. It will also increase their self confidence, boosts their self-esteem and positively and help them develop their personality.

1) **Event name: Teachers Day**

Total Expenditure: 22000 including NSS day food

The Teacher's day celebrations were held in our college on 15th September, 2017. The same day being engineer's day served as a wonderful opportunity for engineers to show their appreciation to their teachers. Our Principal Ma'am and Brother Jose had garland the portrait of M. Visweswarya as a mark of respect on engineer's day.

The celebrations had many performances like dance, group singing, skits. The main highlight of the event being, the newshour debate which appealed the audience well and lightly brushed upon the problems of assignments in engineering. After that a KBC quiz round was played with the teachers where prizes were given to the winners. The teacher's day celebrations turned out to be very jovial and a break for the teachers from their usual routine. Refreshments were served with a surprise element for each staff member. A small pocket diary with the message - "A teacher takes a hand, Opens a Mind and Touches a Heart", was presented as a token of appreciation from the Student Council.

Problems Faced: Teachers day being the first event of Student council went smoothly with all the arrangements made perfectly. The future council may face problems in food for the Teachers day as well as for the other events as the one shop we found out to be cheaper which drastically reduced our event cost of teacher's day and also helped to conduct NSS day with the same amount. But unfortunately, the shop closed lately during the end of the year 2017 which has created budget problems for our future events. Decide the gift for teachers day well before time as soon as the council is formed as it also needs confirmation from the Dean of Student affairs hence it needs to be decided soon according to the budget.

Scope of improvement: Two events in one day was a bit hectic.

2) **Event name: NSS day**

Total Expenditure: 5000 was included from Teachers day amount + amount from NSS

NSS day was celebrated to mark social service and the efforts taken up by the NSS volunteers to help the society.

Problems Faced: Very less crowd

Scope of improvement: publicity

3) **Event name: Freshers**

Total Expenditure: 70000

SFIT has welcomed the newly joined first year students to its family. Student Council presented them with an exciting Fresher's Party on 15th of September, 2017. The theme of the party was "Hawai" sending the message of brightness, celebrations and joy. After the teachers day celebrations, the council rushed to prepare for this party on the same day. Majority of the FEs turned up, the approximate count being 300. Everyone was dressed up as per the bright Hawai theme. After the regular security measures and id checks, every student was permitted in the beautifully decorated and lit auditorium. The decorations were very appalling and the lit Hawaiian masks caught everyone's eye. Many fun games were organized, the main highlight of the party being Mr and Miss Fresher who were crowned after questionnaire rounds by our cooperating faculty members. The dance floor was open and everyone dance and enjoyed the Dj tunes. All were dispersed by 8:30 pm with refreshments and fond memories.

Problems Faced: Since it was just after the teachers day celebration, it was chaotic to make the security arrangements thus delay in beginning the event.

Scope of improvement: Security measures

4) **Event name: Garba night**

Total Expenditure: 20000 - Self Sponsored (Depends upon students participation)

In the Navratri week, our college was also flooded with the Gujarati tunes of the season. Garba night was conducted on 23rd of September, 2017. This was a highly anticipated event of the season and probably the most colorful event. The passes were sold out like hot cakes and there was much excitement before the event.

All girls turned up in colorful ghagra cholis and lehengas, the boys were clad in beautiful gujrati and traditional attire. The central area between the new and the old building was lit up ready for dancers. It is said that we must remember the almighty before any occasion or celebration. We had the ambe ma arti as an auspicious start to the rhythmic garba ahead. Our Director Bro. Jose. Dr. Kavita Sonavne (HOD CMPN), DR. C Hariprasad were kind enough to grace us with their presence and do the arti.

After the arti traditional gujrati garba songs were played and everyone thoroughly enjoyed themselves. There were many spot prizes like the best dressed, the best dancer and the best group which excited everyone. Refreshments were served and it was an altogether a very energetic and a lively evening.

Problems Faced: Decision of venue, Crowd-handling while serving food.

Scope of improvement: Food can be improved
