M.E. Courses in SFIT – Academic Year 2023-2024

Since a couple of years there is a significant increase in the demand for teaching faculty especially in the field of Computer Engineering and Information Technology. This has further accelerated due to the technological advances in emerging areas such as Artificial Intelligence & Machine Learning, Data Science, Cyber Security, Electric Vehicles etc. Hence, there is tremendous scope for our students who successfully complete M.E. program, to take up teaching profession in our own institute.

In SFIT we have M.E. program in Computer Engineering and Electronics & Telecommunication Engineering. We strongly urge our good students to serve the Alma Mater by joining our M.E. programs.

Eligibility for M.E.: B.E. Pass with a valid Gate Score > 0.

From the Academic Year 2023-2024, SFIT students who get selected for admission in SFIT for the M.E. program as per the rules of DTE/Admission Regulating Authority, will be offered the following incentives:

- a) **30% reduction in tuition fees.**
- b) **Opportunity to be engaged as “Teaching Assistant” in the second year of M.E. with a stipend.**

Those who B.E. students who have given the GATE Examination and have scored > 0 may apply for Admission for the Academic Year 2023-2024 whenever it is notified. For further information contact Mr. Nadim Ansari in the office.
